"By the Home Department Notification, No. 1309, dated the 12th September 1904, the Governor General in Council, under the powers conferred by section 2, sub-section (1), of the

Epidemic Diseases Act, 1897 (III of 1897,) directed that pilgrimage to the Hedjaz during the season of 1905 might be permitted to any resident of India, subject to certain precautions, from the Port of Bombay in the Presidency of Bombay.

2. The Haj will be open during the ensuing pilgrim season to any resident in India, subject to the regulations hereinafter stated.

3. The orders contained in the Home Department Notification No. 1309, dated the 12th September 1904, are hereby cancelled.

4. The Governor General in Council is pleased to direct—

(1) that no person shall be permitted to embark with the object of making a pilgrimage to Mecca except at the Port of Bombay in the Presidency of Bombay;

(2) that no person shall be permitted to embark for such purpose at such port unless he has been kept under observation in a place appointed for the purpose at or near the port of embarkation until such time as the Medical officer in charge shall be satisfied that all risk of such person conveying the infection of plague has completely abated;

(3) that no passage tickets for the Hedjaz shall be sold except at the place appointed for the detention of intending pilgrims under observation.

5. Although they have decided that, subject to the foregoing precautions, the pilgrimage to the Hedjaz may be permitted, the Government of India think it necessary to repeat the warning given last year, that intending pilgrims will be well advised in deferring the fulfilment of their purpose until another season in view specially of the stringent quarantine rules imposed by the Turkish Government and of the inconvenience and harassment to which it is likely that they will be subjected on arriving in Arabia."

" I am directed to state that the Committee recently appointed by this Government to consider certain questions connected with pilgrim arrangements in Bombay, strongly recommend that pilgrims should be advised to come to Bombay as early as possible, if they wish to secure cheap passages. If they defer their arrival till after the Ramzan, the cost of deck tickets will be very high. I am to request, therefore, that the attention of all intending pilgrims may be drawn to this point in the notification to be issued by the Government of India announcing the arrangements for the ensuing pilgrim season."
